Microsoft Autism YouthSpark Camp: Get Creative with 3D in Windows 10

October 9th – 12th
Ages 8-12: 9am - 11am
Ages 13+: 11am – 1pm

Microsoft Store
Ala Moana Shopping Center
1450 Ala Moana Blvd. Suite 2238

The world we live in is multidimensional, so shouldn't our art be as well? Students ages 8-12 and 13+ will bring their imagination to life by learning new Paint 3D in Windows 10. This free four-part camp series offers a high-energy, collaborative environment for participants to fuel their creativity and learn key tools and features of 3D in Windows 10.

At the end of the camp, participants will have:

- Learned the fundamentals of the Paint 3D app and all about Remix3D.com community
- Learned how to express their ideas in three dimensions by creating their own 3D designs
- Created a group story illustrated with participant's 3D art

*** There will be 2 workshops, one for ages 8-12 (9am-11am) and one for ages 13+ (11am-1pm), each limited to 8 participants each.
